SAFE MARRIAGE

A RETURN TO SANITY

BY

ETTIE A. ROUT

PREFACE BY

**Sir William Arbuthnot Lane, Bart.,
C.B., M.S.**

This book is of great value, in that its object is the Health, Happiness, Morality and Well-being of the community. The medical recommendations contained herein have been approved by Sir Frederick Mott, K.B.E., Sir Archdall Reid, K.B.E., Sir H. Bryan Donkin, Sir William Arbuthnot Lane, Bart., C.B., M.S., and other well known authorities.

PRACTICAL BIRTH CONTROL

BEING A REVISED VERSION OF
SAFE MARRIAGE

By

ETTIE ROUT
(MRS. F. A. HORNIBROOK)

TWELFTH IMPRESSION

Professor Julian Huxley—"Birth control is one of the most potent agents of change in our modern life. But what precise changes it will effect, how rapidly, whether for good or ill, will depend chiefly upon the attitude of mind we adopt towards it. Mrs. Hornibrook, with her blend of fearlessness, practical common sense, and high ideals, achieves an outlook whose sanity and freedom it would be hard to beat. I hope her book will have the success it deserves in spreading this attitude of mind among all and sundry."

Mr. H. G. Wells.—"Your book is a clear, simple, straightforward book. I wish everyone in the country could have it to read before the age of one-
